

subscribe to beyond

Subscribe to the next five issues of **beyond** for just £20 and we will donate 50% of all profits to Leukaemia Research.

Beyond and Leukaemia Research have teamed up to raise as much money as possible to help research into the prevention, treatment and cure for leukaemia, lymphoma and myeloma in adults and children. The charity conducts groundbreaking research throughout the UK, including Leeds where at the Boinfer Laboratory, researchers are investigating how genetic mistakes cause blood cancers. Their aim is to give every blood cancer patient the best chance of survival and by subscribing to **Beyond** you will be making an incredible contribution.

By sending a cheque for just £20 you will not only receive the next FIVE issues of Yorkshire's most exciting lifestyle magazine through your door, we will give 50% of the profit made from each order directly to Leukaemia Research. That equates to a donation of over £5 from every subscription. Chief Executive of Leukaemia Research, Cathy Gilman said: "We are delighted **Beyond** are making such a wonderful gesture and by subscribing to the magazine you will be making a huge contribution to saving lives."

The charity is entirely dependent upon voluntary donations, so by subscribing you will ensure the continued success of their research. To find out more about the charity; to make a donation or to support the groundbreaking work of Leukaemia Research visit www.lrf.org.uk
